New Project Description

CoCs may create new projects by making funds available through reallocation or through the permanent housing bonus.

The following types of projects may be created either through **reallocation or through the bonus**:

1. New permanent supportive housing projects that meet the requirements of DedicatedPLUS or a new permanent supportive housing projects where 100% of beds are dedicated to chronic homelessness.
 - a. DedicatedPLUS is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied youth.
2. Rapid rehousing projects that will serve homeless individuals and families, including unaccompanied youth.
3. New Joint TH and PH-RRH component projects.
 - a. A Joint TH and PH-RRH component project includes two existing program components – transitional housing and permanent housing-rapid rehousing – in a single project to serve individuals and families experiencing homelessness.

4. New expansion project to expand existing eligible renewal projects that will increase the number of units in the project or allow the recipient to serve additional persons.

2018 Changes

Transition Grants (Sections: II.B.2; III.C.3.q; III.C.3.r)

With consent of CoC, existing renewable component can transition to another component through the reallocation process. *Components* include: Permanent Housing; Transitional Housing; Supportive Services Only and Homeless Management Information System. No more than 50% of transition grant funds may be used for costs of component originally funded, and may not use the consolidation process.

Domestic Violence (Sections: II.B.3; II.B.10.e; III.C.3.g; V.B.3.a.(4); V.B.3.a.(6); V.C.3.b.(4)(d); VIII.A.2.e)

CoC may apply for 1-year funding of \$50,000 or more, to provide housing and services to survivors of DV, dating violence, and stalking, in one of each of the following project types: PH-RRH; Joint TH/PH-RRH; SSO-CE. Each type must follow the Housing First approach.

Consolidations (Sections: II.B.4; III.C.3.d; V.B.2.b.(4); V.B.3.a.(7))

Applicants may consolidate two to four eligible renewal projects into one project application through consultation with local HUD field office. Projects must have same recipient for same component, with good performance record. Joint components or transition grants may not be consolidated.

Bonus and Reallocation (Sections: III.B.3.c; III.B.3.q; V.B.2.c.(1); V.B.3.a.(3); V.B.3.a.(6))

May combine bonus and reallocation funding in single project as both have same eligible new components: PH-PSH; PH-RRH; Joint TH/PH-RRH; HMIS (dedicated); and SSO-CE.

- CoC with demonstrated ability to reallocate funds for higher performing projects may apply for multiple bonus projects.
- CoC may reallocate funds based on competitive ranking of performance to eligible renewal projects that have previously been renewed.

Tier 1 and Tier 2 (Section: II.B.10)

Project applications that must be ranked are: all new reallocation, bonus, DV Bonus and renewal project applications. DV Bonus projects will be selected based on COC application score plus other criteria from Section III.B.10.e.

Ranking (Sections: L.2; II.B.9; II.B.10.b.(2))

All project applications approved by the CoC must be listed on the Priority Listing in rank order, except project applications for CoC planning and UFA costs, to establish Tier 1 and Tier 2 locations. CoC must rank all DV Bonus projects on the New Project Listing with a unique rank number.

CoC Mergers (Sections: II.B.5; III.C.3.e; VII.B.3.d; VII.B.7)

Bonus points are available for mergers to mitigate potential adverse scoring implications for high performing CoC merger with lower performing CoC.
